1. Question: On page 6 of the contract under “Insurance Requirements”, it states that we must have workers comp and general liability in the amount of \$1,000,000. On page 17 of the "Insurance Certification" page it states we must have general liability, worker’s compensation, and professional liability insurance. My insurance provider is asking for clarification on the professional liability.

Answer: My recommendation is to follow the guidance on page 6 that says the coverages to be shown on the certificate are Workers’ Compensation Coverage and General Liability Insurance Coverage. On page 17, draw a line through professional liability. Be sure to attach Addendum No. 1 of this RFP that will be posted on our webpage to your proposal that addresses this change to that page.
